This is to inform all the students of Khwaja Yunus Ali Medical College & Khwaja Yunus Ali Medical College Dental Unit that, most of them are frequently found not carrying their College Identity Cards (ID Card) while attending the classes in the college, clinical wards at hospitals and even when going outside the campus. Being a student of this institution carrying an authorized College ID Card is mandatory. Violation of this rule will be counted as major offence which is punishable. I like to draw the attention of all teachers to monitor this issue seriously and actively and to ensure the smooth continuity of this rule.
